Nationwide staffing for employers

Fill an urgent shift, build a project team, or recruit for a permanent role. MNCP Staffing supports single-site and multi-location hiring across the U.S. from its Las Vegas headquarters.

TEMPORARY / TEMP-TO-HIRE / DIRECT HIRE / PAYROLL SUPPORT

01 STAFFING OPTIONS

Temporary & project staffing
Shift coverage, seasonal hiring and project ramp-ups.

Temp-to-hire
Evaluate fit on assignment before making a permanent hire.

Direct hire & executive search
Recruit for permanent, specialist and leadership roles.

Payroll & multi-site workforce support
Onboarding, timekeeping and payroll for client-selected workers; coordinated hiring across sites.

02 INDUSTRIES & ROLES

Warehouse & manufacturing
Warehouse associates, forklift operators, assemblers and machine operators.

Hospitality, events & gaming
Guest services, event teams, food service and gaming production.

Office, finance & contact centers
Administrative staff, accounting professionals and customer service teams.

Utilities, energy & technology
Project controls, GIS, engineering and IT specialists.

03 WHAT EMPLOYERS CAN EXPECT

A named account contact, screening against your agreed requirements, coordinated starts, and follow-up after placement. For recurring programs, we can align reporting on openings, starts, attendance and assignment status.

SELECTED CLIENT WORK

Gaming & events: Provided local event greeters for a Las Vegas gaming client.

Utilities: Supported recruiting and placements in project controls, GIS and engineering.

Tell us what you're hiring for.

Share the role, location, headcount, shift and target start date.
